

At AVC CONSTRUCTION GROUP, we've made our name through comprehensive management controls, highly competitive pricing, and our bottom line commitment to quality. Our project management approach is designed to achieve the outcomes that all project stakeholders expect, while controlling costs, ensuring quality, and the completion of projects on time – Every Time.

AVC CONSTRUCTION GROUP is the ideal selection as your Prime Contractor – Or partner, for your next project. AVC staff includes everyone you will need from engineers, licensed and bonded subcontractors, construction managers, business accounting professionals, and skilled tradesmen. We are experienced in all areas of construction, contract types, and contract management. Further, we have a full complement of qualified sub-contractors to augment our in-house capabilities, which enables us to meet all contract requirements.

Our project history includes numerous general construction contracts valued from \$25,000 to \$4,500,000. AVC has comprehensive performance history on various types of contracts with the Federal Government and Military, State and Local officials, and we service and maintain a multitude of very large commercial properties throughout the Northeastern Regions. AVC's leaders and project managers have backgrounds that include hundreds of construction projects worth over \$150 Million combined.

Our clients past and present include; The Michigan Department of Transportation, The Department of the Army, The Ohio Department of Transportation, The Masonic Temple(s), and various commercial medical, educational and correctional facilities, among others. A verifiable reference listing is available upon request correlating to your specific project need.

AVC Construction Group LLC offers your project the benefits of quality, cost competitiveness, and the experience of a proven contractor. Throughout our 11 year history, we have met every contract cost, schedule and performance requirement for every contract we've been awarded. If proven performance and reliable results are important to you – Choose AVC CONSTRUCTION GROUP LLC.

Why choose AVC CONSTRUCTION GROUP LLC?

AVC Construction Group LLC, formed in 2003, is a fully qualified SDVOB, further a licensed, insured, and bonded General Contractor with its core business derived from Landscape and Hardscape Design/Build Capabilities combined with extensive Facilities Maintenance. Our capabilities also include all aspects of General Contract and Construction management and execution. In the performance of contracts AVC provides engineers, licensed general contractors, construction managers, business professionals, and skilled tradesmen, experienced in each area of construction and design that will be required for success within the scope of work typically presented by the contracts we are awarded.

AVC Construction Group LLC has renovated and/or constructed numerous projects, both Federal and private and continues to maintain these properties successfully. The company receives exemplary reviews where performance, cost controls, quality workmanship and timeliness are concerned.

AVC Construction Group LLC is...COMMITTED TO SERVICING OUR CLIENTS WITH VETERAN WORKFORCES!

While AVC Construction Group LLC manages many strong working relationships with fully qualified subcontractors, we perform many of our contract responsibilities with our in-house capabilities, which include all of the following:

Landscape Design and Installation – Site Restoration – Aggregate Supplier

Hardscape Design and Installation – Brick Paving – Natural Stone – Retaining Walls

Property Management and Full Maintenance Capabilities – Interior and Exterior Applications

Concrete Construction Specialties – Foundations – Parking Lots – Walkways – Curb and Gutter

Selective and General Demolition - Abatement

Excavation/Site-Work – Site Balancing – Utilities and Sewer/Drain Related Underground Work

Masonry – Brick – Concrete Block – Limestone – Granite – Marble

Painting – Exterior and Interior

Mobilization – Moving – Storage Capabilities

Disaster Recovery – Wind/Fire/Flood Emergency Response Restoration Capability

At AVC Construction Group LLC, our number one goal is our clients' satisfaction. This includes not only their satisfaction with the quality construction, timeliness and cost effectiveness of our services, but with the entire process as well. Performance evaluation can be unique for each project and customer. To ensure that we deliver outstanding performance as our customer measures it, our field teams adapt their operations to meet each customer's unique needs and expectations. In this process, we ensure that we maintain our own internal performance standards.

Each job-site team adopts the mission and objectives of our customer, forming with the customer a seamless connection and an organization that resembles the customer's organization itself. AVC's reputation for quality, timeliness, consistency, technical capability, flexibility, good communication, and competitiveness, have established AVC Construction Group LLC as a Best Value contractor.

"AVC CONSTRUCTION GROUP LLC PROMISES to make the following commitments to you"

We will deliver the highest quality level attainable on every project we undertake.

We will be on-schedule, responsive and prompt with every Government request and contract requirement.

We will provide fully qualified and technically capable staff.

We will authorize our on-site staff to independently solve problems and develop strategies to make each project more efficient and successful.

We will appropriately formulate performance metrics and on-site organizational structure to meet the needs of each contract and customer.

We will make full use of our human, financial and technical resources to achieve the performance objectives of each contract.

We will communicate frequently, professionally and effectively.

We will be fair and competitive in pricing and strive to provide customers with the best value on every project.
